

# Accessing Iowa Science of Reading Session Materials using UI Learn

All of the materials for workshops and sessions hosted at the 2025 Iowa Science of Reading Summit can be accessed for free via our UI Learn ISOR course.

## Accessing the Course

Powered by Instructure's Canvas Catalog platform, UI Learn ([learn.uiowa.edu](https://learn.uiowa.edu)) is an online portal for offering non-credit courses to the general public as well as the University of Iowa community. Colleges or units may use UI Learn to offer professional development, public outreach, or other non-academic courses.

Canvas can be [accessed online](#) via desktop or laptop computer, or via a free mobile app available for both iOS and Android.

## Moving Through Course Materials

From the Course Home Page, you will have access to all of the materials used in the summit's sessions. These materials are organized in a few different ways.

- To learn more about **the IRRC and the Iowa Science of Reading Summit**, click the top two buttons on the course homepage.
  - This page also includes 2025 ISOR specific materials, including summit agenda, navigation information for the Cedar Rapids Convention Complex, and information about receiving Iowa Licensure Renewal Credit.
- To view materials from the summit's 2025 **Featured Speakers**, select the third button.
- To view ISOR presentations sorted by date, select the **Tuesday, July 29<sup>th</sup>** or **Wednesday July, 30<sup>th</sup>** buttons.
  - From here, presentations are sorted by session number. Click on the title of the presentation you wish to view.

Tuesday, July 29<sup>th</sup> ⚡
