### Jump to Module

Use these buttons to jump to different sections of course materials.

2. Each section of coursework begins with an **Overview Page**. This page contains a synopsis of the skills addressed in the module assessment. *You must view the overview page in order to open the practice assessment for each topic.*

3. To progress past the Overview Page, either click the large blue text with the name of the practice assessment or select the “Next” button in the bottom corner of the screen.

4. Once you have submitted the practice assessment, you will be able to access a certificate of completion for this module. Click the “Next” button to progress to the certificate screen.

## Using the Modules Page

Once you have completed a module, you can use the “Modules” menu to access and review old materials, including quizzes and certificates. *Quizzes can be retaken as many times as you would like.*

1. Using the navigation menu on the left side of the screen, select the “Modules” tab.
2. Here, you will see an outline of all course materials. As a reminder, some materials need to be accessed in sequence and will appear as “locked” until you view the corresponding overview page and submit a quiz response.
