

ALL CUES SHEET: SCRIPT

Items needed:

- ☐ Video model on IRRC website
- ☐ Copies of ALL CUES Sheet
- ☐ Pencil for each student

Steps:

1. Find Part 1 on your paper. This part has arrows, numbers, and dotted lines that show how to write the letter.
2. Let's see how to make the letters. (Play the video model on the IRRC website or show students how to write the letter using the arrows, numbers, and dotted lines.)
3. The letter name is (say letter name). The letter sound is (say letter sound). Get ready to say the name and sound.
4. The letter name is (say letter name). What is the letter name? **(Students say letter name)**. (Repeat until firm).
5. The letter sound is (say letter sound). What is the letter sound? **(Students say letter sound)**. (Repeat until firm).
6. Pick up your pencil and write all the letters in Part 1, then put your pencil down.
7. (Monitor student writing and provide feedback as needed.)
8. Find Part 2 on your paper. This part has only dotted lines that show how to write the letter.
9. Pick up your pencil and write all the letters in Part 2, then put your pencil down.
10. (Monitor student writing and provide feedback as needed.)
11. Find Part 3 on your paper. This part has only blank lines and a small dot that shows a letter is missing.
12. Pick up your pencil and find the first dot. Then, write the missing letter above the dot. Keep doing this until you write the missing letter above each dot. If you need help, look at the top of the paper.
13. (Monitor student writing and provide feedback as needed.)
