

CAREGIVERS RESOURCE HUB

Caregivers play a central role in children's literacy learning! For **free resources** to support K–12 student literacy at home and in the classroom, check out the **Iowa Reading Research Center's Caregivers Resource Hub!**

Printable activities, games, and writing prompts for at-home learning

Guidance and tools for communicating effectively with school personnel

Videos of letter formation and pronunciation for early learners

Blog posts on literacy-related topics

AND MORE!

SCAN ME TO LEARN MORE

The hub also includes **free eLearning modules** to help caregivers stay informed and actively engage in their child's education.

CURRENT MODULES:

- Science of Reading
- Structured Literacy
- Understanding Your Student's Literacy Data
- Advocating for Your Student
- Assistive Technology
- Core Literacy Skills
- Supporting Your Child's Early Word Recognition Skills
